

Dear Advisee:

It is time for Spring 2009 enrollment. Enrollment begins Monday, October 27, 2008. Course schedules are available online at <http://courses.k-state.edu/schedules.html>. Please come to Bluemont Hall room 13 now to sign-up for an individual 15-minute advising appointment. You will need to have your Wildcat identification number (WID) when you sign up in my enrollment appointment book. You should also pick up a copy of this letter in BH 013 when you sign up for your appointment because your enrollment worksheet is on the back.

Sign up a couple of days before your assigned enrollment time, plan ahead because your flag will not be raised until 5 pm the day you come in. You must meet with me to have your advising flag raised before you can enroll. Please look up the reference number of the desired course in the course schedule; this will help you in fully completing your pink enrollment worksheet.

Advising information is available on the COE web page <http://coe.k-state.edu/ss/acadadvising.htm>. Students in the Professional program will find a letter from Dr. Perl that will provide valuable information for completing your degree.

NOTE:

Elementary Education students must receive permission to enroll in ENGL 355: Lit for Children. Go to English/Counseling Services Building 108 beginning October 20th.

Elementary Education students wanting to take Math 160 or PHYS 106 no longer requires permission from our office.

ESL Classes need permission from the ESL Office, BH 238.

Everyone should bring the following:

- College of Education Handbook
- **Completed** Pink Enrollment Worksheet (reverse side of this letter)
- **Updated** Graduation plan

If you have any questions please contact me at svargas@ksu.edu. See you soon!

Sonia Esquivel ☺
